

WEDDINGS

Here at Brown & Green Life we are beyond excited to be able to offer you our stunning building for your special day... Set in the middle of the gorgeous Crystal Palace park, South East London, this is the perfect location for your wedding.

Brown & Green Life has a large outside covered terrace which overlooks the infamous dinosaur lake - perfect for a pre wedding glass of bubbles & canapés!

You can then get married in our stunning venue which includes private bar, servery kitchen, access to the main kitchen, disabled access & lift, PA system, alcohol & entertainment license.

Having had the ceremony in LIFE upstairs, all guests are then shown out to the terrace where they can enjoy a drinks reception & canapés whilst our highly experienced staff transform the venue into a stunning, tranquil & twinkly dining area for up to 110.

All furniture, crockery, cutlery & glasses are provided.

We have a selection of highly recommended caterers who work in partnership with Brown & Green, menus & prices available on request. Extensive Vegan & gluten free options available.

We have some super amazing local suppliers who we highly recommend for:
